Specialists in vehicle mounted compressor & generator systems

## SMARTPACK 70-P

PETROL POWERED AIR COMPRESSORS

70 CFM Petrol Rotary Screw Compressor Series

**POWERFUL. RELIABLE. AIR.**

## Benefits

- ❖ Durable and reliable design.
- ❖ Reduced maintenance costs.
- ❖ Easy to monitor and control system.
- ❖ Reduced down time and service costs, increasing on return of investment.
- ❖ Increased reliability and working life.
- ❖ System can operate in high ambient temperatures.

## Features

- ❖ Engine and compressor Eco cooling system.
- ❖ Panel mounted pressure gauge, temperature gauge and hour meter.
- ❖ Over temperature automatic shut down.
- ❖ 200 PSI pressure relief valve safety system.
- ❖ Easy maintenance access points.
- ❖ Fewer moving parts.
- ❖ 2 stage frame corrosion protection.
- ❖ Compact size and light weight.
- ❖ Integrated compressor design.
- ❖ Automatic engine speed control.
- ❖ 70CFM Screw Compressor - Encapsulated.
- ❖ On air demand air delivery.
- ❖ Simplistic Operator Interface Panel.
- ❖ Tooth Belt Power Transmission.
- ❖ 25L stainless steel fuel tank.
- ❖ Donaldson Air Filter Intake.
- ❖ 12V Air/Oil Cooler.
- ❖ Vertical Side Exhaust.
- ❖ Service Access Panels.
- ❖ Convenient Lifting Lugs.
- ❖ Rubber Foot Mounting or Deck Mounting

## Durability

The SMARTPACK 70-P have been specifically designed to be extremely sturdy and robust in order to withstand rough handling, which is typical of the service maintenance industries. The SMARTPACK 70-P has been manufactured using steel and zinc corrosion protection with a powder coated finish. Proven reliability of a integrated encapsulated compressor technology. Makes the SMARTPACK 70-P range an constant, reliable and hardworking source of powerful air supply.

## Efficiency

- ❖ Reliable and site acceptance.
- ❖ 100% Duty cycle (air on demand).
- ❖ Reduced maintenance costs.
- ❖ Compact and lightweight.
- ❖ Ease of maintenance design.
- ❖ Advanced cooling technology.

## Applications

- ❖ Impact wrenches.
- ❖ Nut runners.
- ❖ Grinders.
- ❖ Industrial inflation capabilities
- ❖ Jack hammers.
- ❖ A reliable source of compressed air to drive various pneumatic tools.

### ENGINE SPECIFICATION

Kohler CH749 EF1

### POWER

26.5HP

### FLOW RATE

70CFM

### PRESSURE

150PSI

### DIMENSIONS
